

Welcome to Sydney Discus World Aquariums

Last Updated Thursday, 05 August 2010

Sydney Discus World Aquariums specialise in supplying A-grade quality Discus Fish, unique ornamental fish species, Fancy Goldfish, Tropical Fish, Cichlids, planted aquaria, European style Fish Tanks and mesmerizing aquatopes. We also sell a large range of Pet and Reptile Supplies and Premium Pet Food for Dogs, Cats, Birds, Small Animals and Reptiles.

We are the leading retailer of Discus Fish, Fancy Goldfish, Tropical Fish, Cichlids, Shrimp and discounted European style tanks in Australia and are persistent on delivering value, range, quality and service to our residential and corporate clients.

We are wholesalers for a line of European style tanks which means that we can offer you these amazing tanks at discounted prices.

In our store we have over 500 A-Grade Discus Fish strains, twenty Goldfish tanks housing an array of Show Quality Fancy Goldfish.

There are also more than thirty tanks of Freshwater Tropical fish such as Gouramis, Tetras, Angelfish, Catfish and Loaches. WE HAVE MOVED TO:
Shop 18, Sydney Markets Plaza(Sydney Markets)250-318 Parramatta Road Homebush West. We are currently setting up 90 new holding tanks where we will be able to stock heaps of Marine and more Freshwater species, coral and invertebrates.

Our new store is stocked with heaps of new products and we will be providing an exciting range of new services for our Valued Customers. Come and check us out!

We will be stocking an exciting range of premium pet products for dogs, cats, birds, reptiles and small animals in the next few weeks.

* Free Parking is available adjacent to the shop and also inside Sydney Markets.

* The shop is situated at Sydney Markets Plaza, near the Telstra Shop and Banks, on the Parramatta Road side of Sydney Markets.

There are 40 tanks of American and African Cichlids, Brackish water fish , Shrimp and Marine fish.

Browse through our showroom, where we have large range of fish tanks on display, which cater for a small and large spaces.

There are starter tanks for the kids, awesome Nano tanks for a micro-display for small spaces. Or, for an aquarium which will make all your friends envious- our impressive 6-foot moulded Euro-style tank which is ideal for Discus or Marine fish and provides an absolutely awesome display in any space.

We have over 100 tanks and our own Quarantine Facility, which enables us to stock the highest quality and most sought after fish species from around the globe. Our fish originate from all around the globe- Africa, The Americas, Australia, Sri Lanka, India, Malaysia,China and parts of South East Asia.

We offer a specialised service, providing expert advice to beginner or advanced aquarists alike. At SDWA, we will show you how to make your living space into a place of relaxation and tranquility.

Come down and see our display, or come see us for expert advice. We are here to help!
