## **Our Commitment to You**

At Sydney Discus World Aquariums, our range of JEBO Aquariums create an eye catching display to any room but make the art of fish keeping that much easier by providing all you need to support aquatic life. All JEBO systems include state of the art internal filters, lights and pumps.

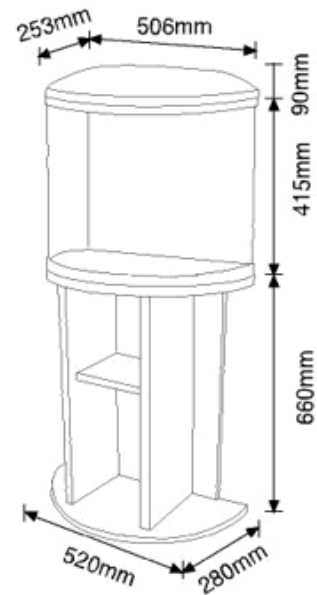

The full range of JEBO range of European style tanks have moulded curved front and edges, which provides a seamless view of your aquarium display.

All Aquarium setups come with a Warranty and delivery can also be arranged. Please contact us if you have any further queries.
